While Wyoming Valley Children's Association makes every possible attempt to recognize our donors with utmost accuracy, we apologize for any errors or omissions that might have inadvertently occurred in this acknowledgment of our valued donors. If for some reason your name was omitted, you would like to be anonymous, in an incorrect giving category, or if you would like it listed differently in the future, please contact Christine Meluskey at 570-714-1246 or cmeluskey@wvcakids.org.

ABOUT WVCA

OUR CAMPUS

WVCA's campus consists of ten classrooms, an Occupational and Physical Therapy building, Speech Therapy suites, a new handicap-accessible playground, and an outdoor STEAM learning classroom. We also have one of the area's few multisensory rooms. While our school is in Forty Fort, we serve children from all over the Wyoming Valley, as well as surrounding areas. WVCA's school year traditionally starts the week before Labor Day and ends in early June. WVCA also offers an Extended School Year (ESY) program in the Summer, year-round childcare, as well as a school-age Summer program.

OUR STUDENTS

We pride ourselves on being inclusive - serving children with a variety of developmental delays, as well as typically developing children.

Types of diagnoses and disabilities served at WVCA include Autism Spectrum Disorders, Down Syndrome, premature birth, sensory integration disorders, developmental delays, gross motor delays, speech/language delays, muscular dystrophy, intellectual disabilities, cerebral palsy, seizure disorders, and more.

OUR PROGRAMS

WVCA offers educational programs for Infant/Toddler, Preschool and Kindergarten and we are a Keystone STAR 4 Center. Our programs are designed to give children the opportunity to grow in all areas of development. WVCA offers physical, occupational, and speech therapies up to age 10. In 2025, WVCA added in-house behavioral health services to better serve our students. WVCA also partners with Luzerne County Mental Health and Developmental Services to offer home-based therapy and educational services for children from birth to 3 years of age. We also have in-house Autism Screening Clinics, which help to diagnose Autism and related conditions, as appropriate.

OUR MISSION

WVCA is a very special school.

We truly believe in every child's unique potential and strive to minimize and/or eliminate the effects of developmental delays through therapeutic services and quality education. By serving ALL children, WVCA creates an inclusive environment for children to discover and develop into curious learners and compassionate citizens. Our goal is to help children develop to the fullest of their ability in preparation for Kindergarten, grade school, and beyond.
